Important events to be reported:

The Company would like to inform its shareholders and investors that on 11 December 2018, the license and supply agreement for pharmaceutical products concluded with Sanofi Winthrop Industrie, agreement which has generated more than 10% of the net turnover reflected in the last annual financial statements (*i.e.*, as of 31 December 2017), has terminated.

The Company wishes to draw the attention of its shareholders and investors to the fact that the termination of the aforementioned agreement is a consequence of the change of control in the Company's shareholding as of 30 September 2018, when the Company and Sanofi Winthrop Industrie ceased to be

affiliated entities, this fact being reported to the investors through the current reports published on 1 October 2018 and, respectively, on 5 October 2018.

As a result of the abovementioned information, the Company does not anticipate that the reported event will affect its business, as in the meantime it has established commercial relationships that cover the object of the aforementioned agreement, with other entities.
